

## 2025 Fee schedule

### Annual tuition fees

We are committed to keeping the College an affordable, high quality, values based, Christian school. Our inclusive fees save families from having to pay for many other items and activities during the year.

Fees are charged on an annual basis and in advance of services being provided. Individual components of the fees are not listed or calculated separately. No refund is applicable where services are not used. Pro-rata fees apply for students commencing after the beginning of Term 1.

Annual Fee	First child	Second child (refer to sibling discount)	Third and subsequent children (refer to sibling discount)
Reception – Year 2	\$3,220	\$2,570	No charge

School Card holders receive an automatic tuition fee discount without needing to apply for a separate financial hardship concession. The College's income threshold for School Card is the same as the threshold that applies to Government schools. For more information about the School Card Scheme, and to apply, please visit <https://www.sa.gov.au/topics/education-and-learning/financial-help-scholarships-and-grants/school-card-scheme>

## Discounts explained

### Sibling discounts

Discounts apply if two or more siblings are enrolled at the College. For larger families, the third and subsequent children incur no additional school fees. The highest enrolment fee student, usually the oldest, is classed as the first child, regardless of the order of enrolment. The College understands that families come in all shapes and sizes. Families with shared custody or other arrangements or combinations may apply for a determination in terms of the sibling discount arrangement. The sibling discount is only available to Australian and New Zealand citizens, permanent residents, and eligible visa holders.

### Annual upfront payment discount

A 5% discount is available for families who pay their fees upfront for the year in one payment by the due date. Any outstanding amounts owing to the College must be finalised to be eligible for this discount.

### Financial hardship concessions

Financial hardship concessions are available to families in financial need and/or experiencing abnormal or unexpected changes in circumstances. Applications are to be made annually. Applying for financial hardship concessions requires disclosure of certain family financial details, which the college will retain in strict confidence. This is a comprehensive process, and concessions are determined at the College's discretion based on individual circumstances. Families receiving a hardship concession must enter into a direct debit payment arrangement and are therefore ineligible for the upfront payment discount.

## Enrolment confirmation deposit

We do not require payment when submitting your enrolment application. If an offer of enrolment in Reception to Year 12 is made, a non-refundable enrolment confirmation deposit of \$150 (or a maximum of \$300 per family when enrolling more than one student at the same time) must be paid when returning the signed enrolment contract. This amount will be fully credited against tuition fees after a qualifying period.

## Your undertakings are documented in the enrolment contract, these include:

- If you elect to pay upfront, you agree to pay by the date advised on your fee statement or fee estimate. Otherwise, you need to establish an agreed-upon scheduled direct debit or Centrepay facility.
- You agree to pay your fees on time or in instalments in accordance with the agreed scheduled direct debit plan or Centrepay arrangement.
- You agree to immediately pay the remainder of fees due for the academic year if you cancel the direct debit plan or Centrepay arrangement.
- You agree to contact the College as soon as possible if, for any reason, you cannot meet your responsibility to pay your fees.
- You agree to pay any expenses incurred in the recovery of any outstanding fees or other amounts owed by you to the College.
- If you are terminating the contract and unenrolling, and you do not provide us with ten school weeks' notice, you must pay 25% of the annual tuition fee as the College commits resources based on confirmed enrolments.

## Issuing of accounts

The College issues a statement at the start of each year showing the fees owed for the full year. Monthly statements are issued throughout the year showing all transactions made and the current balance of the account.

## School student accident insurance scheme

The College has taken out a limited coverage insurance policy to assist with expenses if a student is injured in an accident while at school or at school events. Please contact us for additional information.

Except for the school accident insurance scheme, the College does not provide insurance for students or their belongings. The College recommends that parents obtain appropriate insurance to cover any losses, particularly for mobile technology, musical instruments, and sporting equipment.

## Debtor liability

All parties signing the Enrolment Contract are jointly and severally liable for all fees and charges. This arrangement continues irrespective of any changes to the relationship between the signatories.

## Late or missed payments

An administration fee of \$20.00 may be charged for missed or declined scheduled payments unless you have advised us in advance.

## Unpaid and overdue fee accounts

Should you experience difficulty with the payment of College fees, you should discuss the matter with the College Fees Advisor as a matter of priority. We will endeavour to work with you to enter into mutually agreeable alternative arrangements.

If the school fees remain unpaid and no special arrangements have been made, the student's enrolment may be cancelled, and appropriate recovery action commenced. Once a debt is referred to a debt recovery agency, the College is unable to further discuss or make payment arrangements.

## Tax deductible building fund

A voluntary, tax-deductible fund exists for families wishing to contribute towards the development of the College ministry. The *Building Fund* is fully tax-deductible, and all contributions to this fund will assist the College to continue to advance its facilities for the benefit of the students. Payments can be made to:
