

Spencer Gulf Coaches servicing Seaview Christian College

Bus Registration of Interest 2023

Dear Families,

Seaview Christian College is excited that Spencer Gulf Coaches has introduced a bus service that is catering for families attending Seaview. This service includes the areas of Stirling North, Port Augusta (all suburbs) and Port Augusta West.

The bus service is offered each weekday before and after school.

We are pleased to inform you that due to a successful granted transport subsidy, we are able to offer free bus tickets (10-ride multi ticket) to our students, as long as we have these available.

How to get your free subsidised ticket: Collect your first free ticket from the school's office. Students **must** return the used/completed ticket to the front office to receive a new one. Otherwise, bus tickets will need to be purchased directly from the bus:

Current bus fees:

- Single ride \$ 1.30
- 10-rides/multi ticket \$ 11.00

All fees are payable to the Bus service directly, no monies will be handled via the College.

Students using the bus service must adhere to the Seaview Christian College behavioural code of conduct and bus rules. Bookings may be cancelled by the Principal if students do not meet the behaviour code.

Bus booking procedure:

- 1) Complete registration of Interest form and return to Seaview Christian College (SCC) Office at least 1 day before the first time using the bus.
- 2) SCC will forward the registration form to the bus service with your details
- 3) If you have questions about drop-off/pick-up time, please contact **Ramon Miller** on **M: 0429105942** (As this phone can be quite often diverted to another number, please don't text message as texts don't get diverted.)
E: ptaugusta@spencergulfcoaches.com.au

Morning procedure:

It is the carer's/parent's responsibility to ensure the child/ren are at the bus stop at the arranged time and location. Please notify the bus service (Ramon Miller) of any changes/cancellations.

Afternoon procedure:

The College will check by 10am each day, which students are catching the bus in the afternoon. Please ensure your child knows when he/she is catching the bus home. If students are unsure, the College will contact the parent/carer to confirm. Bus students will be released at 2:45pm and supervised by a staff member until all students are on the bus.

Blessings,

Miriam Gregurke

Administration Officer SCC
