Amongst other things, Seaview Christian College aims to develop in its students a sense of integrity and identity, and identity is about character. Who we are and what we stand for is fundamental to the development of young people, and is valued highly at the College. Uniforms remind us that we share common experiences and at Seaview Christian College we aim to provide our students with valuable and liberating 'life' experiences. Young people are often put off by the thought of appearing to look the same as their peer group by wearing a uniform. Ironically, that same group invariably idolizes a national sporting team that has a very strict uniform code.

Uniforms are an important part of the process of developing character because they eliminate the superficial aspects of growing up, the 'image' issues, and allow us to focus on the core. They remind us of who we are and what we stand for. The Seaview Christian College uniform is smart, flexible, and suitable for the climate and can be worn with pride. It unites the team and encouragement is given to all students to wear it with pride.

The wearing of the correct college uniform is important. Students and parents must be aware that this includes the wearing of the uniform before and after school. Students wearing the college uniform are ambassadors for the college in the public eye. Every student is asked to wear the uniform neatly, correctly and with pride at all times.

## Student Uniform Guidelines

From time to time a student's uniform/presentation no longer meets the uniform code. Usually this is because hair grows and/or students have their hair styled/cut to be outside the code or they become relaxed in how they dress. In no way are we making a judgement regarding an individual's taste, rather we work to help students understand their obligations as members of Seaview Christian College to be dressed and presented in a manner that meets the uniform code.

In most cases the uniform infringement can be remedied immediately by the student. If this is not possible, the student's parent/guardian will be contacted to ascertain if the corrections can be fixed by the parent/guardian bringing the required items to the college or failing that to take the student home until the uniform code is met.

Repeated uniform infringements are a display of disobedience or disrespect and as such will incur behaviour penalties and consequences.

When extreme situations or difficulties arise with respect to abiding by the uniform code, communication with the college is essential before the student comes to the college so that plans can be put in place so that the student is not disadvantaged.

The Principal's judgement on all uniform issues will be final.

All uniform items must be purchased through the College Uniform Shop with the exception of shoes and hair ties. Please ensure that you purchase uniforms at the allocated times when Uniform Shop will be opened. Enquire at the front office regarding Uniform Shop hours, as times are subject to change.
